

Typical store with cabinets prepared for connection to unit for HFC gas or Co2

Negoziò tipo con mobili collegabili a centrale remota per gas HFC o Co2

1 EXCELSIOR for cold cuts, cheese, meat and deli presented with the SPIN module in middle of the line-up. Elegance and attention to details are combined in this model with functionality and guaranteed performances, as well as the large display area, without losing a sight on the ergonomics of the shape.

EXCELSIOR per salumi, formaggi, carne e gastronomia, presentato con il modello SPIN al centro del canale. L'eleganza e la cura dei dettagli, si sposano in questo modello a funzionalità e sicurezza di prestazioni, nonché allo spazio ampio di esposizione, senza perdere di vista l'ergonomia della forma.

2 Rear wall cabinet ROMA, in remote and plug-in version, for cold cuts, cheese and not refrigerated products.

Retrobanco ROMA, gruppo a distanza o plug-in, per salumi, formaggi e prodotti non refrigerati.

3 This is UP the new wall display which you can hang on the wall to show in plain sight the products on sale

Ecco UP il nuovo espositore che si può appendere alla parete per mettere bene in vista i prodotti in vendita.

4 Wall multideck display LEM model, for drinks, snacks, promotional products and more.

Murale LEM per bibite, snack, prodotti promozionali e altro.

5 PANAREA HD BMM – promotional semi vertical island for dairy and meat products.

Isola promozionale con ripiani PANAREA HD BMM per prodotti freschi e carne impacchettata.

6 7 8 Wall multideck for fruit and vegetables VENEZIA OVERVIEW OPEN here joined to VENEZIA OVERVIEW DOORS. The OVERVIEW line offers the chance to display in one single line up different categories of products with an elegant effect and uniformity of style.

Murale VENEZIA OVERVIEW OPEN versione ortofrutta, canalizzato con VENEZIA OVERVIEW DOORS.

La nuova linea OVERVIEW offre in un unico canale differenti categorie di prodotti esposti; si ottiene così un effetto di eleganza ed uniformità di stile.

9 For the frozen products we present TORINO OVERVIEW H150 to use in the smartest way the room inside the shop with a style and the minimum sizes.

Per i prodotti surgelati presentiamo il TORINO OVERVIEW H150 che permette di utilizzare nel modo più intelligente lo spazio disponibile all'interno del negozio con stile e ingombri minimi.
